

Oakridge Secondary School 2025-2026 Safe and Inclusive School Plan

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Staff, students, parents and caregivers, and community partners will work together as a team to help make our school safe and welcoming for everyone.

The Safe and Inclusive School Plan highlights some of the key actions that our school community will put in place as part of our bullying prevention and intervention efforts.

Key Priorities and Goals

This year, we are continuing to foster a safe, inclusive, and welcoming school community where every student and staff member feels a strong sense of belonging. We believe this focus is essential to supporting student well-being, engagement, and academic success.

Key Actions or Strategies

- Actively share information about mental health resources available within the school and through the TVDSB and supporting students in accessing these services.
- Support student wellness specifically associated with student workload and student support days.
- Continue to build the essential conditions for learning in every classroom to support student comfort and safety in their learning environments.

Community and Home Connections

- Ask your child about opportunities for students at Oakridge. Be aware of the Grade 9 Family Night in September and the Grade 8 Open House in January. Review the Week At A Glance (WAAG) about school activities and family resources with your child.
- Try co-planning school expectations and deadlines at home with your child.
- Check out this resource <https://www.tvdsb.ca/en/students/mental-health-and-well-being.aspx#> about mental health.
